IDENTIFYING PROGRAM GOALS

Use this worksheet to identify and prioritize the specific goals of your pay-as-you-throw program.

Begin with the goals listed below, ranking each goal on a scale of 1 to 5. A ranking of 5 means it is critical that your program meets this goal. A ranking of 1 means the goal is of minimal importance. List any other program goals that come to mind and rank them as well.

As you think about goals, consider other stakeholders in your community--to be successful your program also will need to have their goals in mind. To help you identify the issues other stakeholders will want addressed, copy the third page of this form and use it to solicit more ideas about goals during pay-as-you-throw meetings or presentations.
