The Contractor warrants that it will hold the state harmless from any liability which may be imposed upon the state as a result of any failure of the Contractor to be in compliance with this Act. As applicable, the Contractor agrees to abide by provisions of § 504 of the Federal Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794 (Supp. 1993), regarding access to programs and facilities by people with disabilities.
3. **Utilization of Minority Business Enterprises.** It is the policy of the state that minority business enterprises should have the maximum opportunity to participate in the performance of government Contracts. The Contractor agrees to use best efforts consistent with 45 C.F.R. §§ 74.160 et seq. (1992) and paragraph 9 of Appendix G thereto for the administration of programs or activities using HHS funds; and §§ 13a-95a, 4a-60 to 4a-62, 4b-95(b), and 4a-60q of the Connecticut General Statutes to carry out this policy in the award of any subcontracts.
4. **Priority Hiring.** Subject to the Contractor's exclusive right to determine the qualifications for all employment positions, the Contractor shall use its best efforts to ensure that it gives priority to hiring welfare recipients who are subject to time limited welfare and must find employment. The Contractor and the Department will work cooperatively to determine the number and types of positions to which this paragraph shall apply. The Department of Social Services regional office staff or staff of Department of Social Service Contractors will undertake to counsel and screen an adequate number of appropriate candidates for positions targeted by the Contractor as suitable for individuals in the time limited welfare program. The success of the Contractor's efforts will be considered when awarding and evaluating Contracts.

The Contractor shall take such action with respect to any such subcontract or purchase order as the commission may direct as a means of enforcing such provisions including sanctions for noncompliance in accordance with § 46a-56 of the Connecticut General Statutes provided, if such Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the commission, the Contractor may request the State of Connecticut to enter into any such litigation or negotiation prior thereto to protect the interests of the state and the state may so enter.

The Contractor further agrees to take affirmative action to insure that applicants with job-related qualifications are employed and that employees are treated when employed without regard to their race, color, religious creed, age, marital status, national origin, ancestry, sex, mental retardation, or physical disability, including, but not limited to, blindness, unless it is shown by such Contractor that such disability prevents performance of the work involved;

Gen. Stat. § 46a-56; provided, if such Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the commission, the Contractor may request the state of Connecticut to enter into such litigation or negotiation prior thereto to protect the interests of the state and the state may so enter.
