

Connecticut's Implementation of the Recovery Act

August 2009

Recovery Act Overview

- American Recovery and Reinvestment Act of 2009 was signed by President Obama on February 17, 2009
- The \$787 billion Recovery Act includes tax cuts, investments in infrastructure and energy programs, funds to stabilize state and local budgets, training opportunities, and general assistance dollars (e.g., food, housing).

Recovery Act Overview

- Recovery Act Funding Types
 - Formula-based or programmatic funding (i.e., Clean Water, State Energy Program, Community Development Block Grants)
 - Stabilization Measures – increased percentage for Medicaid reimbursement and education stabilization funds
 - Competitive grants – hundreds of opportunities for funding will be made available by federal agencies through competitive grant rounds

Recovery Act Overview - Connecticut

- Connecticut expects to receive more than \$3 billion in Recovery Act funding
- This funding will come to Connecticut primarily through formula-based programs and stabilization funds

Recovery Act Overview - Connecticut

- Breakout of Recovery Act funding:

- Medicaid Reimbursement \$1.3 billion
- State Fiscal Stabilization (Education) \$541 million
- Direct benefits (unemployment, food stamps) >\$100 million – as of 8/18
- Highways and Bridges \$302 million
- Transit \$152 million
- Clean Water \$48 million
- Drinking Water \$19 million
- Education (Title I, IDEA, Nutrition, etc.) \$243 million
- Energy (Ener. Prog., Block Grants, Weath.) \$127 million
- Public Safety (JAG, Internet Crimes, Victims) \$25 million
- Health/Human Services (immun., child care) \$31 million
- Housing (Public Housing, Rental Assist.) \$173 million

Recovery Act – Pursuing the Funding

- Connecticut has already applied for funding in excess of \$3 billion
 - Applications have been submitted for every formula-based program available to date
 - Nearly 350 competitive grant applications have been submitted by state agencies and universities
 - seeking billions of dollars

Recovery Act – Pursuing the Funding

- Recent activities:
 - CT pursuing more than \$300 million for high-speed rail corridor between New Haven and Springfield
 - CT pursuing \$540,000 for emergency energy planning
 - CT pursuing \$3.9 million as part of regional consortium for green workforce opportunities
 - CT pursuing \$5 million for developing a broadband map
 - CT pursuing \$3.4 million for energy rebates for state residents
 - CT pursuing more than \$45 million to help communities with foreclosures

Recovery Act – Funding Commitments

- More than \$1.2 billion in Recovery Act funding has been committed, obligated or spent in Connecticut since February
 - >\$200 million committed to highway and bridge projects
 - >\$150 million committed to transit projects
 - \$105 million for Amtrak project in Niantic
 - >\$100 million spent on benefits to individuals and families (unemployment and food stamps)
 - \$15 million in grants to communities to improve energy efficiency and further conservation
 - \$18.8 million for community health centers

Recovery Act – Initiatives Underway

- Recovery Act activities in CT continue to escalate
 - More than 4,000 jobs have been created
 - More than 25,000 residents have been served by the Department of Labor (training and unemployment)
 - More than 20 communities have received Justice Assistance Grants
 - More than 375 grants have been awarded by the Department of Education to school districts
 - More than 160 jobs transportation jobs have been created – over 100 in the last four weeks with hundreds more anticipated over the next several months
 - More than \$25 million has been provided to Workforce Investment Boards for job training and employment services
 - Food Bank and Food Share have ordered hundreds of thousands of dollars in food stock for pantries and purchased equipment for transportation and storage

Recovery Act – What's to come:

- Many more opportunities still remain including:
 - Various energy initiatives
 - Broadband expansion/enhancement
 - Health Information Technology
 - Workforce training – focus on health professions and green careers

Recovery Act - Outreach

- Hundreds of hours committed to outreach over the past 6 months
 - Representatives from DOT, OPM and Governor's office have met with Planning Organization on more than 20 separate occasions
 - Agencies have hosted dozens of stakeholder forums and public hearings
 - Department of Education has hosted forums throughout the state for school administrators and elected officials
 - OPM has hosted more than 15 workshops across the state to assist communities with public safety and energy conservation projects

Recovery Act - Outreach

- Enhancing outreach
 - Designating a Municipal Ombudsman – Governor Rell appointed Dave LeVasseur of OMP to be the state's Recovery Act Ombudsman to assist communities in July
 - Recovery website – www.recovery.ct.gov continues to be the state's primary resource for tracking Recovery Act activities

Recovery Act – CT Recovery Website

- CT's website – www.recovery.ct.gov

Tool for:

- Tracking stimulus dollars – spent/committed
- Tracking funding opportunities – state/federal
- Track contracts
- Serve as a resource for stimulus-related jobs
- Follow public comment/outreach opportunities

OPM, DECD, CHFA,
Education, Judicial
Branch

CONNECTICUT RECOVERY INITIATIVE

Expediting Assistance Funding Opportunities Accountability Agency/Local Recovery Sites

In the coming days, Connecticut state agencies will be establishing their own Recovery Act web pages to provide agency-specific updates concerning implementation of the ARRA. In addition, it is anticipated that a number of municipalities will establish Recovery Act web pages to keep their residents apprised of stimulus activities in their communities. Use the links below to learn more about how the different agencies and departments are utilizing the funds allocated to them by the ARRA.

State of Connecticut Agency Recovery Sites
