## American Recovery and Reinvestment Act 2009

### Project Description:

Darien

Replacement of Staircases and Railings at Noroton Heights Station

\$400,000

### Why it matters

The project will improve rail customer safety by replacing the existing staircases and railings. The town and state are committed to providing well maintained and user friendly stations. This project will address needed improvements as identified in the 2006 visual inspection report.

### Solid Investment

- Initial improvements can begin quickly and make use of general laborers.
- This project will help improve the experience for train commuters.
- Availability of funds from the American Recovery and Reinvestment Act of 2009 will allow project to proceed in an expeditious manner.

### Notable Project Facts

- This project is shovel ready.
