Project Description:

East Hartford/Manchester

I84/I384 Multi-use Trail

\$2,000,000

Why it matters

This project will remove loose and deteriorated bituminous asphalt and repair various sections of the trail. This includes patching and sealing cracks throughout the trail prior to final resurfacing from Spencer Street, Manchester to Forbes Street, East Hartford.

Solid Investment

- Non-motorized transportation alternatives improve air quality, promote public health, and reduce congestion on roadways.
- This project will perform necessary maintenance on a well utilized multi-use trail.
- Availability of funds from the American Recovery and Reinvestment Act of 2009 will allow project to proceed in an expeditious manner.

Notable Project Facts

- This Project is shovel ready.
- The total length of the trail that will be resurfaced is roughly 8,000 feet.
