MEMORANDUM TO CHIEF STATE SCHOOL OFFICERS AND TITLE I STATE COORDINATORS

Subject: September Grant Award Notice for Title I, Part A Funds Made Available Under Public Law (PL) 111-5, the American Recovery and Reinvestment Act of 2009 (ARRA)

Please find attached a copy of a second grant award notification for the remaining Title I, Part A funds made available under the ARRA. We issued initial grant awards to States for Title I, Part A ARRA funds totaling \$4,950,000,000 on April 1, 2009. These grant awards are for the \$4,950,000,000 in Title I, Part A ARRA funds that remain. Except for two States, the cumulative amount shown in Block 7 of the attached notification will equal the full Targeted, and Education Finance Incentive Grant allocation provided under ARRA for your State in our memorandum of June 26, 2009 to Chief State School Officers and Title I State Coordinators announcing final fiscal year 2009 allocations.

These funds remain available for obligation and expenditure through September 30, 2010. Section 421(b) of the General Education Provisions Act further provides that funds not obligated by the end of the Federal funding period specified in Block 6 of the grant award notice remain available for obligation at the State and local levels for an additional 12 months until September 30, 2011. Section 1127 of Title I, however, places a 15 percent limitation on the total amount of FY 2009 Title I, Part A funds that a local educational agency (LEA) may carry over from one fiscal year to the next. Section 1127(b) allows a State educational agency (SEA) to waive the carryover limitation once during a three year period if it determines such a waiver is reasonable and necessary or a supplemental appropriation becomes available. The Secretary has invited States to submit requests for exemptions from this one-in-three year limitation to granting LEA waivers in cases where LEAs have received carryover waivers from the SEA either last year or the year before.

If a State reserves funds for purposes of the State Academic Achievement Awards program authorized in section 1117(c)(2)(A) of the Elementary and Secondary Education Act, any funds that are not obligated for that purpose at the end of the Federal funding period in Block 6 shall remain available for obligation for an additional period of 24 months.

If you have any questions concerning this award notice, please contact Mr. Sandy Brown on my staff at (202) 260-0976.
